Full Service Catering Company

Clippers, The University of Southern California, Nordstrom and many more. Duxbury's provides fine cuisine and incomparable personal service so you can relax and enjoy your evening at the theatre. Your party will be allowed access to the Sangiovese room prior to and after the performance. You and your group can arrive as early as one-and-a-half hours prior to show time and can stay up to one hour after. This alleviates the stress of dealing with crowds and parking traffic. In addition, you will have the chance to meet and interact with a member of PILGRIM's cast after the show (based on actor availability).

IF YOU DECIDE that going with a package is not suitable for your group, the Sangiovese room can be rented to any size group for the same time frames offered in any of the four packages. The Sangiovese room is \$250.00 per evening, per group. Only one group will occupy the room per performance. This cost includes set-up, clean-up and service fees along with all the "perks" such as early entry and the cast "meet and greet." You are allowed to supply your own food and beverages (corkage fee of \$10 for all wine bottles). Please call for details.

WE INVITE YOU to look through the available packages attached with this letter as well as visiting our website at www.pilgrimLA.com. If you have questions about booking the Sangiovese room or would like to put together a VIP package for your group, please send an email to sean@pilgrimLA.com or call 323.962.2703.
